

Website and App Privacy Policy

Last modified: April 17, 2022

Introduction

Cerebellum Network, Inc. ("**Company**" or "**We**") respect your privacy and are committed to protecting it through our compliance with this policy.

This policy describes the types of information we may collect from you or that you may provide when you visit the Website [www.meetdavinci.com] (our "**Website**") or the application (our "**App**") and our practices for collecting, using, maintaining, protecting, and disclosing that information.

This policy applies to information we collect:

- On this Website and App.
- In email, text, and other electronic messages between you and this Website and App.
- Through mobile and desktop applications you download from this Website and App, which provide dedicated non-browser-based interaction between you and this Website and App.
- When you interact with our advertising and applications on third-party Website and Apps and services, if those applications or advertising include links to this policy.

It does not apply to information collected by:

- Us offline or through any other means, including on any other Website and App operated by Company or any third party (including our affiliates and subsidiaries); or
- Any third party (including our affiliates and subsidiaries), including through any application or content (including advertising) that may link to or be accessible from or on the Website and App.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, your choice is not to use our Website and App. By accessing or using this Website and App, you agree to this privacy policy. This policy may change from time to time (see Changes to Our Privacy Policy). Your continued use of this Website and App after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Children Under the Age of 16

Our Website and App is not intended for children under 16 years of age. No one under age 16 may provide any information to or on the Website and App. We do not knowingly collect personal information from children under 16. If you are under 16, do not use or provide any information on this Website and App or on or through any of its features. If we learn we have collected or received personal information from a child under 16 without verification of parental

consent, we will delete that information. If you believe we might have any information from or about a child under 16, please contact us at:

18 Bartol Street #1050
San Francisco, CA, 94133
team@cere.network

California residents under 16 years of age may have additional rights regarding the collection and sale of their personal information. Please see Your California Privacy Rights for more information.

Information We Collect About You and How We Collect It

We collect several types of information from and about users of our Website and App, including information:

- By which you may be personally identified, such as name, postal address, e-mail address, telephone number, or any other identifier by which you may be contacted online or offline ("**personal information**");
- That is about you but individually does not identify you; and/or
- About your internet connection, the equipment you use to access our Website and App, and usage details.

We collect this information:

- Directly from you when you provide it to us.
- Automatically as you navigate through the site. Information collected automatically may include usage details, IP addresses, and information collected through cookies and web beacons.
- From third parties, for example, our business partners.

Information You Provide to Us.

The information we collect on or through our Website and App may include:

- Information that you provide by filling in forms on our Website and App. This includes information provided at the time of registering to use our Website and App, subscribing to our service, posting material, or requesting further services. We may also ask you for information when you report a problem with our Website and App.
- Records and copies of your correspondence (including email addresses), if you contact us.
- Details of transactions you carry out through our Website and App and of the fulfillment of your orders. You may be required to provide financial information before placing an order through our Website and App.
- Your search queries on the Website and App.

You also may provide information to be published or displayed (hereinafter, "**posted**") on public areas of the Website and App, or transmitted to other users of the Website and App or third parties (collectively, "**User Contributions**"). Your User Contributions are posted on and transmitted to others at your own risk. Although you may set certain privacy settings for such information by logging into your account profile, please be aware that no security measures are perfect or impenetrable. Additionally, we cannot control the actions of other users of the Website and App with whom you may choose to share your User Contributions. Therefore, we cannot and do not guarantee that your User Contributions will not be viewed by unauthorized persons.

Information We Collect Through Automatic Data Collection Technologies.

As you navigate through and interact with our Website and App, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions, and patterns, including:

- Details of your visits to our Website and App, including traffic data, logs, and other communication data and the resources that you access and use on the Website and App.
- Information about your computer and internet connection, including your IP address, operating system, and browser type.

The information we collect automatically may include personal information, or we may maintain it or associate it with personal information we collect in other ways or receive from third parties. It helps us to improve our Website and App and to deliver a better and more personalized service, including by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our Website and App according to your individual interests.
- Speed up your searches.
- Recognize you when you return to our Website and App.

The technologies we use for this automatic data collection may include:

- **Cookies (or browser cookies).** A cookie is a small file placed on the hard drive of your computer. You may refuse to accept browser cookies by activating the appropriate setting on your browser. However, if you select this setting you may be unable to access certain parts of our Website and App. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you direct your browser to our Website and App.
- **Flash Cookies.** Certain features of our Website and App may use local stored objects (or Flash cookies) to collect and store information about your preferences and navigation to, from, and on our Website and App. Flash cookies are not managed by the same browser settings as are used for browser cookies. For information about managing your privacy

and security settings for Flash cookies, see Choices About How We Use and Disclose Your Information.

- **Web Beacons.** Pages of our Website and App may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages and for other related Website and App statistics (for example, recording the popularity of certain Website and App content and verifying system and server integrity).

Third-Party Use of Cookies

Some content or applications, including advertisements, on the Website and App are served by third-parties, including advertisers, ad networks and servers, content providers, and application providers. These third parties may use cookies to collect information about you when you use our Website and App. The information they collect may be associated with your personal information or they may collect information, including personal information, about your online activities over time and across different Website and Apps and other online services. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly. For information about how you can opt out of receiving targeted advertising from many providers, see Choices About How We Use and Disclose Your Information.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal information:

- To present our Website and App and its contents to you.
- To provide you with information, products, or services that you request from us.
- To fulfill any other purpose for which you provide it.
- To provide you with notices about your account, including expiration and renewal notices.
- To carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- To notify you about changes to our Website and App or any products or services we offer or provide through it.
- To allow you to participate in interactive features on our Website and App.
- In any other way we may describe when you provide the information.
- For any other purpose with your consent.

We may also use your information to contact you about our own and third-parties' goods and services that may be of interest to you. If you do not want us to use your information in this way, please check the relevant box located on the form on which we collect your data (the registration form). For more information, see Choices About How We Use and Disclose Your Information.

We may use the information we have collected from you to enable us to display advertisements to our advertisers' target audiences. Even though we do not disclose your personal information for these purposes without your consent, if you click on or otherwise interact with an advertisement, the advertiser may assume that you meet its target criteria.

Disclosure of Your Information

We may disclose aggregated information about our users without restriction.

We may disclose personal information that we collect or you provide as described in this privacy policy:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business and who are bound by contractual obligations to keep personal information confidential and use it only for the purposes for which we disclose it to them.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Cerebellum Network, Inc.'s assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal information held by Cerebellum Network, Inc. about our Website and App users is among the assets transferred.
- To third parties to market their products or services to you if you have consented to these disclosures. We contractually require these third parties to keep personal information confidential and use it only for the purposes for which we disclose it to them. For more information, see Choices About How We Use and Disclose Your Information.
- To fulfill the purpose for which you provide it. For example, if you give us an email address to use the "email a friend" feature of our Website and App, we will transmit the contents of that email and your email address to the recipients.
- For any other purpose disclosed by us when you provide the information.
- With your consent.

We may also disclose your personal information:

- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Cerebellum Network, Inc., our customers, or others. This includes exchanging

information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

Choices About How We Use and Disclose Your Information

We strive to provide you with choices regarding the personal information you provide to us. We have created mechanisms to provide you with the following control over your information:

- **Tracking Technologies and Advertising.** You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. To learn how you can manage your Flash cookie settings, visit the Flash player settings page on Adobe's [Website and App](#). If you disable or refuse cookies, please note that some parts of this site may then be inaccessible or not function properly.
- **Disclosure of Your Information for Third-Party Advertising.** If you do not want us to share your personal information with unaffiliated or non-agent third parties for promotional purposes, you can opt out by . You can also always opt out by logging into the Website and App and adjusting your user preferences in your account profile or by sending us an email stating your request to team@cere.network.
- **Promotional Offers from the Company.** If you do not wish to have your contact information used by the Company to promote our own or third parties' products or services, you can opt out by logging into the Website and App and adjusting your user preferences in your account profile by checking or unchecking the relevant boxes or by sending us an email stating your request to team@cere.network
- . If we have sent you a promotional email, you may send us a return email asking to be omitted from future email distributions.
- **Targeted Advertising.** If you do not want us to use information that we collect or that you provide to us to deliver advertisements according to our advertisers' target-audience preferences, you can opt out by logging into the Website and App and adjusting your user preferences in your account profile by checking or unchecking the relevant boxes or by sending us an email stating your request to team@cere.network

We do not control third parties' collection or use of your information to serve interest-based advertising. However these third parties may provide you with ways to choose not to have your information collected or used in this way. You can opt out of receiving targeted ads from members of the Network Advertising Initiative ("NAI") on the NAI's [Website and App](#).

California residents may have additional personal information rights and choices. Please see Your California Privacy Rights for more information.

Accessing and Correcting Your Information

You can review and change your personal information by logging into the Website and App and visiting your account profile page.

If you delete your User Contributions from the Website and App, copies of your User Contributions may remain viewable in cached and archived pages, or might have been copied or stored by other Website and App users. Proper access and use of information provided on the Website and App, including User Contributions, is governed by our {Invalid hyperlink URL}.

California residents may have additional personal information rights and choices. Please see Your California Privacy Rights for more information.

Your California Privacy Rights

If you are a California resident, California law may provide you with additional rights regarding our use of your personal information.

California's "shine the Light" law (Civil Code Section § 1798.83) permits users of our App that are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an email to team@cere.network or write us at: 18 Bartol Street #1050 San Francisco, CA, 94133

Data Security

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure. All information you provide to us is stored on our secure servers behind firewalls.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our Website and App, you are responsible for keeping this password confidential. We ask you not to share your password with anyone. We urge you to be careful about giving out information in public areas of the Website and App like message boards. The information you share in public areas may be viewed by any user of the Website and App.

Unfortunately, the transmission of information via the internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted to our Website and App. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures contained on the Website and App.

Changes to Our Privacy Policy

It is our policy to post any changes we make to our privacy policy on this page with a notice that the privacy policy has been updated on the Website and App home page. If we make

material changes to how we treat our users' personal information, we will notify you through a notice on the Website and App home page. The date the privacy policy was last revised is identified at the top of the page. You are responsible for ensuring we have an up-to-date active and deliverable email address for you, and for periodically visiting our Website and App and this privacy policy to check for any changes.
